## JUNIOR SCHEDULING

Name \_\_\_\_\_

We are beginning to build the schedule for next year. Student needs and interests are the basis for this process. Using the Course Catalogue, List of Courses, description of proposed new courses, and input from teachers, parents, and counselors, please indicate below what you would like to take next year. Please keep in mind the following requirements that you must take either junior or senior year:

one semester of Amer. Gov't.

one year of US History (most of you took this sophomore year)

one (additional) semester of Computer either jr. or sr. year

You must take a one semester religion elective **both** jr. and sr. year. This is in addition to the required one semester Religion III class.

You are not making final decisions at this point. Instead, you are indicating interest. You will meet with your counselor after Spring Break before you make final schedule decisions. Please remember that Honors and AP/ACCP classes must be approved by the department chairs. If you have any special scheduling needs, please write a note about them on this form.

Write in your course selections in the blanks below. If you want a study hall, write it in for either 1 semester or 2 semesters.
