SAT II Subject Test Practice Day!

Saturday, March 27th

9:00AM - 11:30AM

Notre Dame de Sion High School

Try out the SAT II Subject Tests that are right for you!

Required by several of the most competitive schools, the SAT II Subject Exams are one-hour content exams similar to AP Exams. Several colleges, particularly those in the Northeast and California, require two subject exams; a handful of schools currently require 3 (e.g. Georgetown, Harvard, Princeton.) Register for this practice test at Notre Dame de Sion on March 7. You'll get a full-length SAT II practice test typical for your class year. After the test is scored, you will receive a detailed Princeton Review score report analysis of your results. This is a great opportunity and everyone is welcome to attend. Bring your calculator and favorite pencils!
