

Out with the Old...

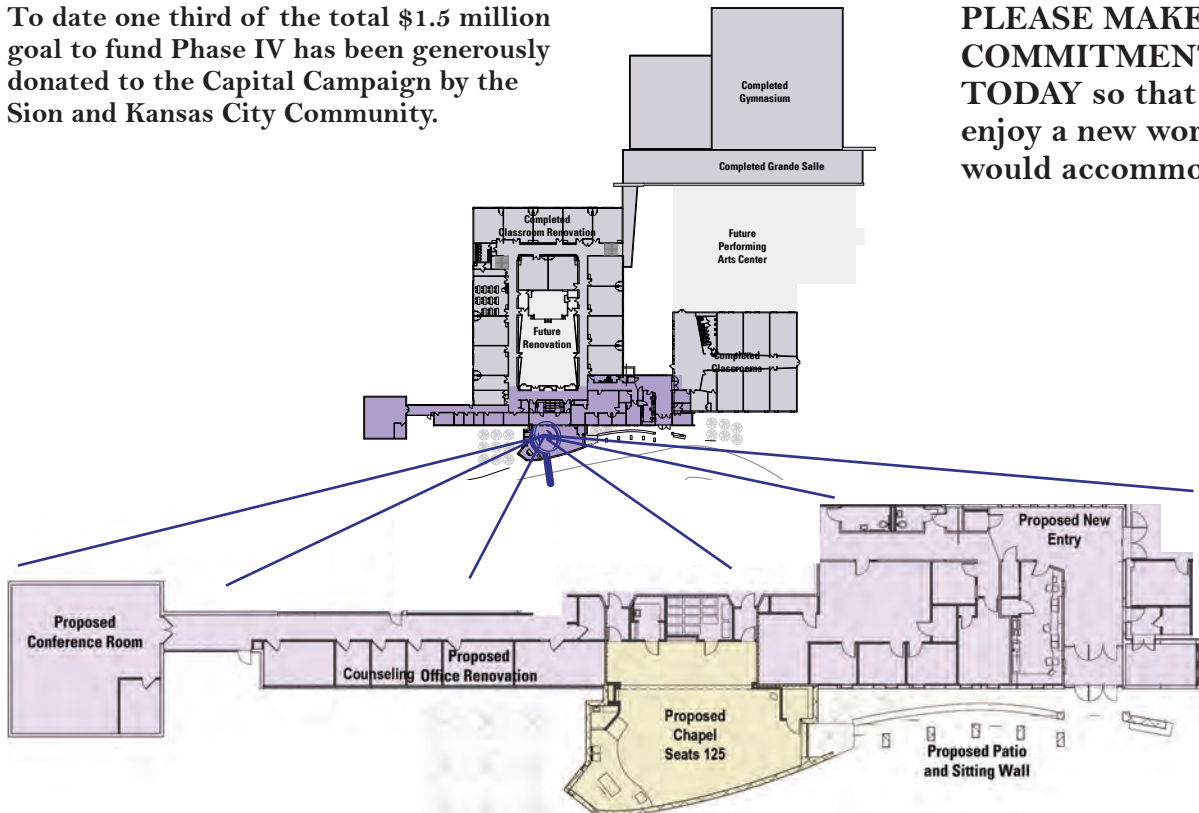

...In with the NEW!

To date one third of the total \$1.5 million goal to fund Phase IV has been generously donated to the Capital Campaign by the Sion and Kansas City Community.

**PLEASE MAKE YOUR COMMITMENT PLEDGE TODAY** so that our students can enjoy a new worship space that would accommodate 125 people.

Phase IV includes construction of a new Chapel, exterior improvements including relocation and renovation of the front entrance and interior improvements including renovation of counseling offices and relocation of administrative offices.
