

What is a Classic!

A single strand of pearls or a diamond solitaire engagement ring.

The proportions may change. . .

but a white blouse and pair of khaki slacks have been worn by women for several generations.

Audrey Hepburn popularized the
“little black dress.”

Classic, timeless, always chic

The little black dress

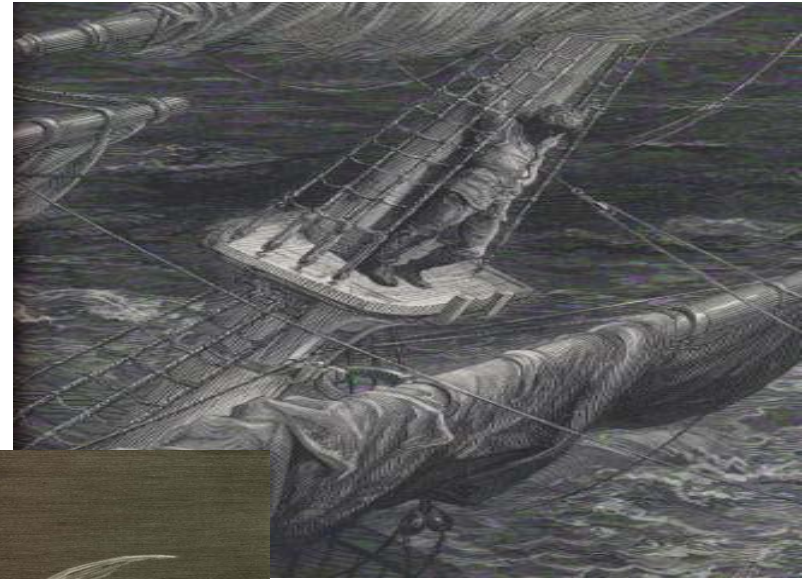

Men also have classic apparel.

Let's consider what makes a literary classic and why such literature remains on reading lists.

Are there classical themes, conflicts, allusions in literature?

STC's "Rime of the Ancient Mariner" is considered a literary classic. WHY?
