

Ionic Compound Activity

Go to the following website: <http://molo.concord.org/database/>

In the top right hand corner where it says jump to activity # type in 54

Click on the student tab just to the right

Click on the **Launch Activity** Button just below the picture.

Work through the entire activity and answer the questions in the green box. At the end of the activity hit the print button. Either print a hard copy and turn in or copy and paste into a word document and save. Then email me a copy to kdteel@ndsion.edu.
