

Solids, Liquids and Gases Activity II

Go to the following website: <http://molo.concord.org/database/>

In the top right hand corner where it says jump to activity # type in 188

Click on the student tab just to the right

Hit the **Launch Activity** button below the picture

Click on the **Guided Activity** button and work through the entire activity. Answer the questions in the green box. You must answer the question to continue through the activity.

When you are finished with the activity hit the **Questions for Understanding** button and answer the questions.

When you have finished answering all the question hit the **Summary** button. If you wish to change an answer do so at this time. When you are satisfied with your answers hit the print button at the bottom of the page and either print out a hard copy to turn in or email me a copy at kdteel@ndsion.edu.
