 (where)

Rubric for My Life After Sion

Effort. Photo appears to have been planned & shot especially for this assignment 25	Photo appears to be done for this assignment, but is pretty basic. 20	Photo appears to be recycled. 10
Quality. Photo is at least 4 x 6 well framed, in-focus and expresses student's vision of possible future. 25	Photo does not clearly express student's vision of the future, but is decent quality 15	Photo is too small or too poorly framed. 10
Info. Student followed the script, giving at least as much information as requested in an easily usable format 25	Some information provided, but either too little to too messy a format. 15	Both info and format are lacking. 10
Creativity/writing Very creative and error-free expression of future plans. 25	Fairly creative/error free expression 15	Not much creative energy here, and also some mistakes. 10
